

Innovative cannabis-infused products that give consumers exciting new ways to achieve their health and wellness goals.

## GET TO KNOW NUVEEV

Nuveev is a health and wellness brand that educates and empowers consumers to help them discover the benefits of cannabis for targeted health concerns and everyday wellbeing. We develop innovative, safe, user-friendly products that are infused with CBD to deliver greater efficacy and better results.

## NUVEEV SKINCARE

Our skincare products are for people who want to be proactive with their beauty routine and are open to exploring the world of cannabis and the incredible benefits it has to offer.

We develop innovative formulas through ethical and responsible practices, using naturally derived ingredients. All of our products are formulated by beauty industry experts with extensive knowledge of ingredient safety and quality assurance.

## WHY CBD FOR SKIN?

CBD has powerful antioxidant and anti-inflammatory properties, which help calm irritation in the skin, protect against internal and external aggressors, and combat the signs of aging.
