

If you never thought your kicks would look as good as the first time out of the box, discover Sneaker Brat – the premium cleaning and restoration service for the most exacting sneakerheads.

We apply an array of meticulous methods and techniques to return your sneakers to their original, optimal state.

**Because your favourite sneakers are our favourite sneakers.**

A white glove experience that focuses on the shoes first and everything else a distant second. Purchase your own Sneaker Brat products online, or we'll pick up your sneakers, clean and deliver them for you. Either way, rest assured that your sneakers are in the right hands because we love your shoes as much as you do.

**In fact, we are obsessed with them.**
